ACTIVITY 2: UNDERSTANDING DETAILS

Objectives/ aims of activity (children will be able to):

- Understand details of the story
- Learn new expressions
- Identify the sequences of the story

Activity steps

1. The teacher engages children as a group in retelling the story (in the societal language), thereby checking children's understanding.
2. The teacher engages children in answering simple and more difficult open and closed "wh-" questions (e.g., who, where, why).
3. Children learn the expression "saluton" in several languages and greet peers verbally and non-verbally.
4. Children receive pictures and order them in chronological order. Children could also put them deliberately in the wrong order and then tell this new story.
