## Bobba in the library – Early Literacy Skills

### ACTIVITY 3: CREATING A CLASS LIBRARY

Objectives/ aims of activity (children will be able to):

- Building and structuring a library in the early year's setting.

#### Activity steps

1. Each child brings a book from home (the teacher brings some books in reserve for the children who were not able to bring their own books).
2. The children write the first letter of their book in big capital letters (they can be paired in groups; the teacher serves as a mentor), alternatively they can look at a set of print outs for their corresponding letter and colour their letter.
3. The teacher brings the children and their books in alphabetical order. Afterwards the children place their books on a shelf. During the following week, they are allowed to "borrow" the books to consult them within the kindergarten group.

Resources needed to carry out the activity

- DIN-A 5 print outs of letters
- Books
- Shelf
- Pens and colours

Approximative time indication for activity: 15 min
