The monster castle – Language awareness

ACTIVITY 1: LANGUAGE DANCE

Objectives/ aims of activity (children will be able to):

- distinguish between different languages

Activity steps

- 1) The teacher and the children organise a dance.
- 2) The teacher plays songs in different languages.
- 3) The children dance. When the song changes, they have to keep dancing if the language is the same, but if the language changes, they freeze.

Resources needed to carry out the activity

- popular or children's songs in different languages, they can be selected together with the children

Approximate time indication for activity: 15 - 20 minutes
