ACTIVITY 3: FIND THE RHYME

Objectives/ aims of activity (children will be able to):

- recognise rhyming words in L1 or L2 by playing a game

Activity steps

- 1) The teacher prepares cards with images that rhyme (pictures of cat – bat, etc.). There need to be as many rhyming pairs as the children in the group.
- 2) One set of pictures (cat, etc.) is distributed to the children who sit in a circle.
- 3) Another set of pictures (bat, etc.) is placed in a pile in the middle of the circle.
- 4) The teacher starts. He/she takes one picture and says the word. The child with the picture of a thing that rhymes, gets up and gives the card to the teacher.
- 5) Then this child picks the next card from the pile and the activity continues until the last rhyme is found.

Resources needed to carry out the activity

- cards with pictures of rhymes (created by the teacher depending on the rhyming words in a specific language)

Approximate time indication for activity: 20 minutes
