Celebrating Olivia's birthday - Plurilingual competence

ACTIVITY 1: YOUR LAST BIRTHDAY

YOUR LAST BIRTHDAY

Objectives/ aims of activity (children will be able to):

- Follow the story
- Narrate about a past event

Activity steps

- 1) Children narrate, record and illustrate their last birthday celebration if they wish to do so.
- 2) Children listen to each other's experiences (whether recorded or not). The teacher engages children in a discussion about aspects related to celebrations that are culturally relevant or such as games or food. They can make connections to previous activities related to food, greetings, or games.
- 3) The teacher will help children document their birthday celebration (e.g., a portfolio).

Resources needed to carry out the activity

- Resources for recording: children can use a phone or an app (e.g., iTEO, Book creator)
- Examples showing how children narrated their birthday experiences which they then recorded and illustrated or which the teacher wrote down for them (e.g., QR code, little booklet)

Approximative time indication for activity: 15 minutes per activity
