

Co-funded by the
Erasmus+ Programme
of the European Union

Celebrating Olivia's birthday - Plurilingual competence

ACTIVITY 3: THE INTRUDER

Objectives/ aims of activity (children will be able to):

- Develop listening comprehension
- Distinguish between phonemes and the semantics of words; develop phonological awareness in an observation and listening game

Activity steps

- 1) The teacher gives children a series of images where children need to find the object that does not belong.
- 2) The children look at the pictures, name them, use the QR code or other/similar recordings to check how the words sound and cross out what does not belong (what falls out of line) or remove the card.

Resources needed to carry out the activity

- Worksheets (analogue or digital) with four different pictures that have a common field of words and/or meanings on the subject of birthdays, but where a mistake has crept in.

Approximative time indication for activity: 15 minutes
