

Going Home – Plurilingual Competence

ACTIVITY 2: PICTURE ALBUM

Objectives/ aims of activity (children will be able to)

- Retell Bobba's adventures through pictures that the children draw and name

Activity steps

- 1) The teacher tells a framing story to the children: Bobba is back home now, and he is telling his friends and family about the things he saw and did, and the friends he made. Children are encouraged to draw their favourite moment with Bobba and find a word from the story that describes it best!
- 2) The teacher lets children use the print material and any other collage material and crayons to create a picture of their favourite Bobba moment.
- 3) The teacher lets the children find a name or title for their picture and encourages them to find a new word from the stories.

Resources needed to carry out the activity

- The story books with the landscape pictures, pictures of Bobba and the children, crayons

Approximative time indication for activity: 20 minutes
