

## Going Home – Plurilingual Competence

### ACTIVITY 3: FAVOURITE WORD

Objectives/ aims of activity (children will be able to):

- Describe the character
- Learn and use new words from the stories

Activity steps

- 1) The teacher and the children sit together in a circle and the teacher tells this framing story to the children: When Bobba has left, the children and their parents remain for some time together and the children tell their parents about Bobba.
- 2) The children are prompted to think about Bobba. What are the things they might tell their parents about Bobba?
- 3) The children are asked to think about their favourite words and words they have learned. Bobba spoke a different language than the characters, and he learned many new words. Which new words did the children like?

Resources needed

- The print material

Approximate time indication for activity: 10 min
